

ARTS DEVELOPMENT

Working together with **FFIN DANCE** can help support developing partnerships with other agencies such as community first groups and social services. A dance residency in your area could assist a promotion of dance activities by inviting all key partners to attend an end of week performance. If developing an audience for dance is a focus, this can make an amazing impact.

- **FFIN DANCE** can present matinee and evening performances and offer discussions with the company.

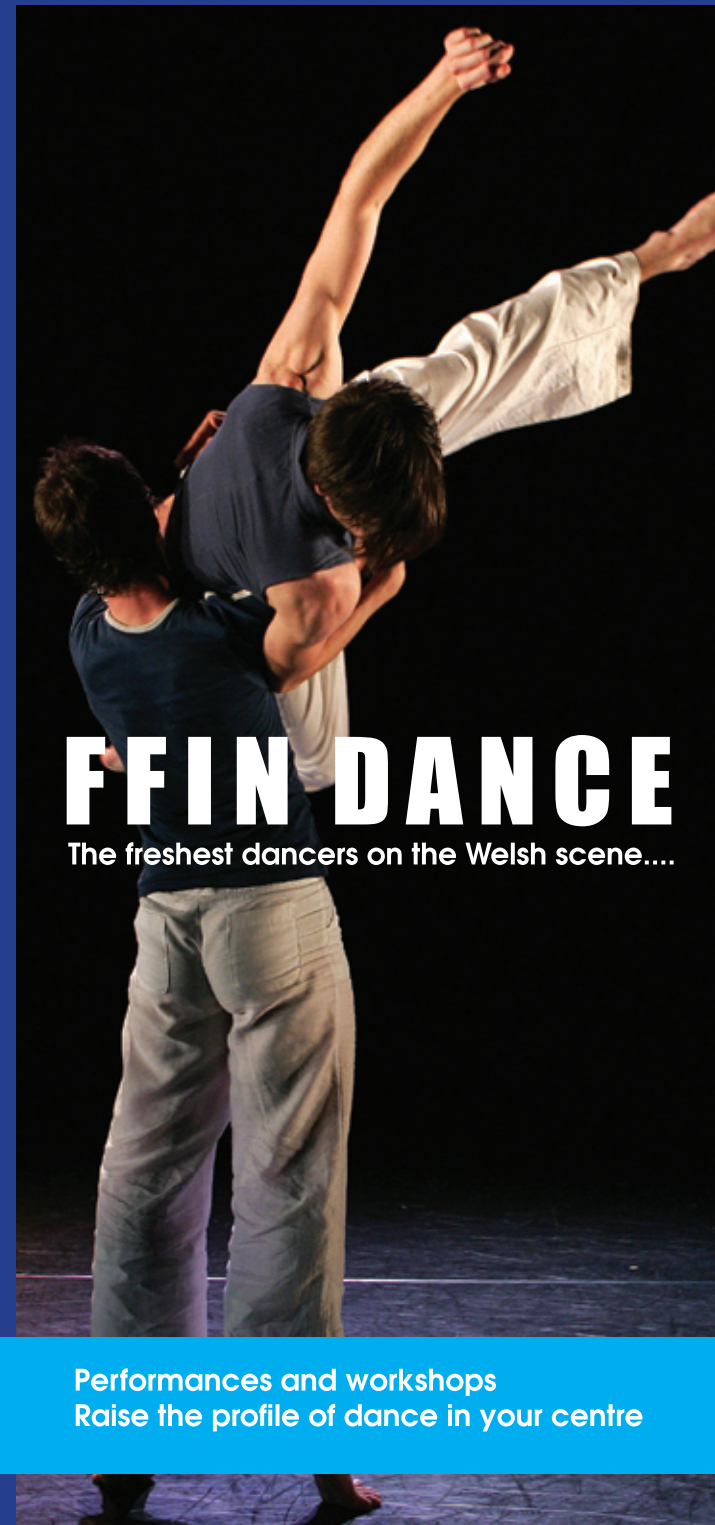

HOW TO BOOK

We can give individual quotes for packages or 1 off workshops; all prices are totally inclusive of travel and expenses. We can help you to achieve your objectives and help you to continue when we have left.

Phone **07854 910926** and chat over your needs

FFIN DANCE

Welcome to our new information flyer outlining our performance, dance workshops and packages that **FFIN DANCE** can offer you. We have a variety of different packages to suit all needs.

SCHOOLS

FFIN can provide workshops which could lead to a curtain raiser performance where your students perform in the same performance as our professional dancers. This could be at your studio or centre.

- 1 day workshops for teachers and leaders of dance activities
- Workshops that can enhance cross-curricular learning

YOUTH GROUPS

FFIN can provide

- Activities that offer exciting ways to engage young people
- Dance activities that provide healthy life style
- Activities that promote a better understanding of citizenship
